A. O. U. W. Picnic.

The A. O. U. W. lodge of this city never does anything by halves, which was again demonstrated yesterday by the grand picnic given by them. It was a success from a financial standpoint and in every other way. One of the largest crowds that ever attended a picnic in this section was on hand. The crowd reminded one of the days when the old Bourbon Fair held its meetings on these grounds.

Among the distinguished guests present were: Governor J. C. W. Beckham and wife, Superintendent of public Schools McChesney, Thomas D. Osborne, Grand Master Workman of Kentucky, Past Grand Master, and J. O. Walker, Grand Recorder, and the Hon. Pres. Kimball, of Lexington.

Gov. Beckham and Hon. Harry V. McChesney made short speeches to the Workmen, both being enthusiastic members of the order. They were introduced by the Hon. Denis Dundon. Their speeches were well received by the large crowd.

In the baby contest Mrs. Jos. Bodkin's pretty little daughter won prize over nine entries for girl babies, and Mrs. June Gregg's fine boy, Kirt Jameson Gregg, won over four entries for boy babies.

The merchants closed their business houses at noon and the streets looked deserted, it seemed that everybody went to the picnic.

The First Regiment Band of Cincinnati furnished the best of music. Dancing was highly enjoyed by the young people under the pavilion erected for that purpose. At a late hour of the night the picnic closed in a blaze of glory.

FOR RENT.—One front room, with board. Apply at Baptist parsonage. 1t

Died In the Philippines.

On Wednesday, Mrs. John Allison, of near this city, received a cablegram announcing the death of her son, Wm. H. Ward, at Manila, P. I., of dysentery. He was a member of Co. I, from this city, and after the Spanish war re-enlisted in 81st Volunteers, and went to the Philippines. He was known to every one here as "Buster" Ward, and his many friends regret to hear of his death. He was a member of the U. S. Government police force at Manila. This is the second Paris boy who has met his death in that country, the other being young Manning.

Morgan's Men at Park's Hill.

Since Tuesday nearly two hundred men who followed the gallant Gen. John H. Morgan have been having a glorious time at the re-union at Park's Hill. It was quite interesting to see the old soldiers in groups over the grounds exchanging war stories and inquiring after friends and comrades, all enjoying themselves immensely.

Wednesday afternoon they effected an organization to be known as the "General John H. Morgan Association," and decided to hold an annual re-union. Articles governing the association were presented by Major O. S. Tenny, and were adopted. All soldiers under the command of Gen. Morgan are members of the association, which will meet the third Wednesday in August of each year at some place to be determined by the Executive Committee. Lexington was named as headquarters. The following officers were elected for a one-year term: President, General Basil W. Duke; Vice Presidents, Col. J. W. Bowles, Judge M. C. Sanfley, Major O. S. Tenny; Secretary-Treasurer, Captain W. T. Havens; Chaplain, B. B. Bigstaff; Executive Committee, Judge J. D. Hunt, Judge Garrett D. Wall, Captain S. G. Sharp, T. J. Oatts and Col. W. C. P. Breckinridge.

ADMINISTRATOR APPOINTED.—Judge Smith appointed James E. Clay, administrator with will attached, of the estate of the late Horace Miller, on Wednesday.

Bourbon County Teachers' Institute.

The Bourbon County Teachers' Institute has been in session in this city this week; Col. Edgar, of Richmond, Ky., being the instructor. Each day has had some special feature, but Thursday seemed to be the banner day, although the session was limited to one-half day on account of the A. O. U. W. picnic. The special feature for Thursday was the graduating exercises of the county schools. Two graduates being present. Prof. Sharon presented the diplomas and Col. Edgar presented the medal offered by Mrs. Clay, our very competent County Superintendent of Schools, to the one getting the highest average in the examination for diplomas.

Misses Katie Lee Hooge and Winifred Doyle furnished some very entertaining music for the occasion. The first thing on the program Thursday was a very instructive and entertaining lecture and practice in music by Prof. Croxton, of Lexington. Several teachers seemed to be much influenced by his good work.

After Prof. Croxton finished his work, Prof. Berry, of Clintonville, brought forward two very strong resolutions concerning the better training of teachers and better facilities for the same. Prof. Berry shows that he is a worker in all things leading to advancement.

It seemed that resolutions were catching, as Col. Edgar immediately introduced another, concerning the change of a part of the money now going into the Sinking Fund to the School Fund. All these resolutions went through with a unanimous vote in each case. The teachers want advancement and they richly deserve it.
